**Whereas**, the citizens of the City of East Cleveland have consistently complained about the continuing problems caused by vacant building and housing property owners whose negligence causes the properties they own to be maintained in such a manner that creates blighted conditions for the areas where the properties are located, and

**Whereas**, these vacant buildings and houses are fire hazards that threaten the lives and safety of the citizens of East Cleveland who reside on the streets where the properties exist, and

**Whereas**, the negligence of these vacant building and housing property owners has created unsafe, unhealthy and unsanitary conditions for the citizens of East Cleveland who live on the streets where the buildings and houses are located, and

**Whereas**, these vacant buildings and houses expose the citizens of East Cleveland to criminals, vandals, illegal dumpers, transient dwellers, drug users, drug traffickers, burglars, rapists, murderers, and other criminally-minded individuals who have harmed them individually and members of their families in physically and psychologically painful and immeasurable ways by causing a loss of life, limb and property, and

**Whereas**, these vacant properties further expose the citizens of East Cleveland to wild dogs, cats, vermin, rodents and insects that spread disease and create unhealthy living conditions for all residents on the streets where the buildings and houses are located, and

**Whereas**, the citizens of East Cleveland who live on the streets where these vacant buildings and houses are owned by negligent and irresponsible property owners have caused a reduction in the quality of life for all who live near them, and

**Whereas**, the citizens and the City of East Cleveland continue to be harmed by the actions of these negligent and irresponsible vacant building and housing owners by losing opportunities to enjoy the full value of the city's property through an enhancement rather than a reduction in property values and taxes, and

**Whereas**, this loss of tax revenue has resulted in the citizens of East Cleveland being unable to fully enjoy the benefit of their tax dollars, and has exposed them to reduced property values, a loss of revenue to fund the city's schools, a loss of revenue

needed to invest in the city's aging infrastructure, and a loss of revenue needed to ensure good health and opportunities of all who reside within the city, and

**Whereas**, the vast majority of vacant buildings and houses are owned by unscrupulous investors who live outside the City of East Cleveland, and who have demonstrated by their failure to maintain their properties in a well-kept and maintained condition that they have a total disregard for the harm their actions have caused the citizens of East Cleveland where their properties exist,

**Now therefore be it resolved** by the Council of the City of East Cleveland, four-fifths concurring, that the following section of the Codified Ordinances be enacted:
